CLAIRE RYSER

COPYRIGHT CONSENT DOCUMENT

CLIENT is/are granted a copyright consent for purposes excluding the resale of all images.

CLIENT is granted rights to 3rd party printing, web publishing, scanning, duplicating or copying, media usage, newspaper, publishing, public relations and all other uses excluding resale or retail or commercial use for retail products. The client is granted consent to limited editing of the photo: Conversion of a color image to a black and white image, cropping of the image in such a manner that does not effect the integrity of the image, removal of elements they deem distracting.

CLIENT may upload images publicly and on social media websites and applications. PHOTOGRAPHER requests a photo credit to Claire Ryser in the description, caption or status of the image or album or that the client uses provided watermarked images.

PHOTOGRAPHER reserves the paternity right to full credit for news media publication and editorial use including but not limited to newspaper announcement, press release, features, stories, and columns whether published online or printed. Publications must have consent from Claire Ryser to publish.

PHOTOGRAPHER reserves the right to hold primary copyright for the purpose of retail or resale to 3rd parties, web publishing or portfolio usage.
